

Support the Romulus Goodfellows this Christmas!

This year the Romulus Goodfellows Inc. desperately needs your help! Unfortunately, we are no longer able to collect contributions in the street intersections as we have in the past. This will have a significant negative financial impact on the assistance that we can provide to our residents in need.

Because of the generosity of individuals, community organizations and businesspersons, the Romulus Goodfellows Inc. was able to brighten the homes of over 200 of our community's less fortunate children and over 150 of our community's seniors last year.

We really need your help! Please consider making a financial donation or placing an advertisement in our special edition newspaper to help our Romulus neighbors this holiday season. Thank you for supporting "No Romulus Child without a Christmas".
