Instruction for Completing Form 1012, Industrial Facilities Tax Exemption (IFT) Application

The completed original application form 1012 and all required attachments, **MUST** be filed with the clerk of the local unit of government where the facility is or will be located. Complete applications must be received by the State Tax Commission by October 31 to ensure processing and certification for the following tax year. Applications received after the October 31 deadline will be processed as expeditiously as possible.

Please note that attachments listed on the application in number 16a are to be retained by the local unit of government, and attachments listed in number 16b are to be included with the application when forwarding to the State Tax Commission (STC).

(Before commencement of a project the local unit of government must establish a district, or the applicant must request in writing a district be established, in order to qualify for an IFT abatement. Applications and attachments must be received by the local unit of government **within six months of commencement of project.**)

The following information is required on separate documents attached to form 1012 by the applicant and provided to the local unit of government (city, township or village). (Providing an accurate school district where the facility is located is vital.):

1. Legal description of the real property on which the facility is or will be located. Also provide property identification number if available.
2. Personal Property Requirements: Complete list of new machinery, equipment, furniture and fixtures which will be used in the facility. The list should include description, **beginning date of installation** or expected installation by **month/day/year**, and costs or expected costs (see sample). Detail listing of machinery and equipment **must match amount shown** on question 6b of the application. Personal property applications must have attached a certified statement/affidavit as proof of the beginning date of installation (see sample).
3. Real Property Requirements: Proof of date the construction started (groundbreaking). Applicant must include one of the following if the project has already begun; building permit, footings inspection report, or certified statement/affidavit from contractor indicating exact date of commencement.
4. Complete copy of lease agreement as executed, if applicable, verifying lessee (applicant) has direct ad

valorem real and/or personal property tax liability.

The applicant must have real and/or personal property tax liability to qualify for an IFT abatement on leased property. If applying for a real property tax exemption on leased property, the lease must run the full length of time the abatement is granted by the local unit of government. Tax liability for leased property should be determined before sending to the STC.

The following information is required of the local unit of government: [Please note that only items 2, 4, 5, 6, & 7 below are forwarded to the State Tax Commission with the application, along with items 2 & 3 from above. The original is required by the STC. The remaining items are to be retained at the local unit of government for future reference. **(The local unit must verify that the school district listed on all IFT applications is correct.)**]

1. A copy of the notice to the general public and the certified notice to the property owners concerning the establishment of the district.
2. Certified copy of the resolution establishing the **Industrial Development District (IDD) or Plant Rehabilitation District (PRD)**, which includes a legal description of the district (see sample). If the district was not established prior to the commencement of construction, the local unit shall include a certified copy or date stamped copy of the written request to establish the district.
3. Copy of the notice and the certified letters to the taxing authorities regarding the hearing to approve the application.
4. Certified copy of the resolution approving the application. The resolution must include the number of years the local unit is granting the abatement and the statement "the granting of the Industrial Facilities Exemption Certificate shall not have the effect of substantially impeding the operation of (governmental unit), or impairing the financial soundness of a taxing unit which levies ad valorem property taxes in (governmental unit – see sample).
5. Letter of Agreement (signed by the local unit of government and the applicant per P.A. 334 of 1993 (see sample)).
6. Affidavit of Fees (signed by the local unit of government and the applicant), (Bulletin 3, January 16, 1998). This statement may be

incorporated into the Letter of Agreement (see sample).

7. Treasury Form 3222 (if applicable - *Fiscal Statement for Tax Abatement Request.*)

The following information is required for rehabilitation applications in addition to the above requirements:

1. A listing of existing machinery, equipment, furniture and fixtures which will be replaced or renovated. This listing should include description, beginning date of installation or expected installation by month/day/year, and costs or expected costs.
2. A rehabilitation application must include a statement from the Assessor showing the taxable valuation of the plant rehabilitation district, separately stated for real property (EXCLUDING LAND) and personal property. Attach a statement from the assessor indicating the obsolescence of the property being rehabilitated.

The following information is required for speculative building applications in addition to the above requirements:

1. A certified copy of the resolution to establish a speculative building.
2. A statement of non-occupancy from the owner and the assessor.

For guaranteed receipt by the State Tax Commission, it is recommended that applications and attachments are sent by certified mail.

**CITY OF ROMULUS
COUNTY OF WAYNE
STATE OF MICHIGAN**

**AGREEMENT
INDUSTRIAL FACILITIES TAX EXEMPTION CERTIFICATE**

(the "Company") has submitted an application to the City of Romulus (the "Municipality") for an Industrial Facilities Tax Exemption Certificate ("IFTEC") pursuant to Michigan Public Acts 198 of 1974, as amended.

As consideration for the granting of the IFTEC and in recognition of the investment the Municipality will be making toward the economic growth of the Company and thus the economic growth of the Municipality, the Company and the Municipality hereby agree to the following terms and conditions:

1. No later than December 31 of the year following the "effective" date and each December 31 thereafter for the term of the agreement, the company shall submit a report to the Municipality stating:
 - a. The number of new jobs promised by the IFTEC application and the actual number of new jobs created.
 - b. If the IFTEC was granted on the basis of job retention, the number of employees at the time of the application and the current number of employees.
 - c. If projection for creation or retention of jobs was not reached, give explanation.
 - d. The estimated project cost given in the application and the actual project cost.
 - e. If actual project costs differ by more than 10% from projected cost, give explanation.
2. The Company agrees that if employment has not been retained or reached as stated in the application or the construction and/or expansion project has not been completed or expenditures made are less than ninety (90%) from the projected costs as described in the application, the legislative body has the right to petition the State Tax Commission for revocation of the IFTEC.
3. The Company agrees that it shall not report machinery or equipment covered under the IFTEC as idled for the purpose of property taxes for the term of the IFTEC.
4. The Company agrees that if it chooses to leave the Municipality, that permission to relocate outside the Municipality shall not be granted unless and until the Company demonstrates that it has exhausted all attempts to relocate within the Municipality and/or find a new tenant for the property being vacated.
5. The Company also agrees that if it chooses to relocate the facility outside the industrial development district during the period in which the IFTEC is in effect, the company is liable to the Municipality for an amount equal to the difference between the Industrial Facilities Tax to be paid by the Company for that facility for the tax years remaining under the IFTEC and the general ad valorem property tax that the Company would have paid if the Company did not have an IFTEC in effect for those years on the facility. If the Municipality determines that it is in its best interests, it may forgive the liability of the Company under this section. Payment required under this section shall include interest on such amount at a rate set monthly based on the auction rate of 91 day discount treasury bill rate for the first Monday of each month, plus one percent as established by the Michigan Department of Treasury for the refund of taxes ordered by the Michigan Tax Tribunal.
6. It is further agreed that if the Company fails to comply with the terms of this agreement, it shall be considered a breach of a material term of this agreement and shall be considered grounds for revocation of the IFTEC.

7. The applicant shall submit to the City any and all amendments to the lease of the subject property within (20) days of any such amendment.
8. In the event of the termination of the lease agreement or the removal of any clauses requiring the Applicant to pay 100% of the property taxes on the subject property, prior to the expiration of the IFTEC, the abatement certificate shall be revoked as of December 30 in the year of any such lease termination or amendment.
9. The Company agrees that it shall not appeal its ad valorem real or personal property tax assessments during the terms of this agreement, except for current year increases over the prior year assessment.

By signatures of representatives of both the Company and the Municipality below, it is understood and agreed that both the Company's investment in the project and the Municipality's investment through the granting of the IFTEC is to encourage the economic growth of the parties. It is also acknowledged that economic factors beyond the Company's control can, at times, prohibit the maintenance of the Company's targeted status. It is understood that if such conditions exist at the time of the designated Company reports, the governing body of the Municipality will carefully evaluate the Company's situation and will inform the Company if any action is considered in order to give the Company an opportunity for correction.

The Municipality shall give notice by certified mail to the Company of any hearing regarding the proposed revocation or reduction of the term of the IFTEC. Such notice shall be delivered no less the fifteen (15) days prior to such hearing.

In addition, we do swear and affirm by our signatures below that "no payment of any kind in excess of the fee allowed by Public Act 198 of 1974, as amended by Public Act 323 of 1996, has been made or promised in exchange for favorable consideration of an exemption certificate application".

TAX ABATEMENT GUIDELINES

CITY OF ROMULUS

(Adopted by City Council October 08, 2007)

Introduction

The following summarizes the **CITY OF ROMULUS** guidelines, with regard to the establishment of new and expanded industrial facilities under Public Act 198 of 1974, as amended.

Public Act 198, the Plant Rehabilitation and Industrial Development Districts Act, was adopted by the State of Michigan as a means of providing industry a stimulus to create and maintain jobs in the form of significant tax incentives. It allows new plants the opportunity to receive an exemption of approximately fifty percent of property taxes on the taxable value of new real and personal property for a maximum period of twelve years.

The Romulus City Council may establish industrial development districts and approve the granting of exemption certificates. The Council must find that the granting of the certificate, when considered together with other certificates previously granted will not substantially impede the operation of the local government unit or impair the financial soundness of the taxing unit prior to the granting of the certificate.

Fees

A \$500 non-refundable fee is required with each request to establish an Industrial Development District

A \$1,000 non-refundable application fee is required with each tax abatement application.

Contact Information

Questions concerning Act 198 industrial facilities tax exemption certificates can be directed to the Community Development Department or the Department of Assessment, City of Romulus, 11111 Wayne Road, Romulus, MI 48174. The telephone numbers are (734) 942-7545 and (734) 942-7520 respectively.

Goals and Objectives

The Romulus City Council will evaluate all Act 198 applications utilizing the following goals and objectives:

- To expand the City of Romulus' tax base.
- To encourage development that will increase the economic vitality of the community
- To create and retain employment
- The applicant meets current financial obligations to Romulus, is in compliance with all applicable state and local codes and ordinances and has no pending litigation against the City of Romulus including appeals to the Michigan Tax Tribunal

The above-mentioned objectives are not intended to be exhaustive. The City of Romulus Council reserves the right to consider such additional goals and criteria as are consistent with the interests of the City of Romulus.

Criteria for Granting Industrial Facilities Exemption Certificates

Section 16 of Public Act 198 of 1974 provides that the legislative body of the local governmental unit shall determine the duration of an Industrial Facilities Tax Exemption Certificate (tax abatement). The City of Romulus Council shall make this determination based on careful consideration of the following criteria.

The City Council retains the authority for the final determination of the appropriateness of any I.F.T.E.C. and is not bound to using only the following when acting on a specific abatement request.

The certificate may be revoked in the event that the purposes for which the certificate was issued are not being fulfilled as a result of the failure of the holder to proceed in good faith with the replacement, restoration or construction or operation of the replacement facility or new facility, or to abide by any other terms of its Agreement with the City. All applicants will be required to execute an agreement with the City that provides for all the pertinent terms under which the City is approving the application.
