

Help Us Find You

Address Marker

Romulus Fire Department is asking for your help in making our job easier to locate you, through the purchase of an address marker for your home or mailbox. The address markers are made of aluminum, colored with a 3M reflective green background, and white reflective stickers.

Many houses in our city have address markers that have fallen victim to mother-nature or do not have addresses on them at all. This can cause problems in an emergency situation. But you can help change that by purchasing an address marker that you know will show up on any mail post or house front.

The price is \$20 and worth the health and safety of you and your family. Please assist the Romulus Fire Department, EMS, DPW, and Police Department by putting your address on your house or mailbox with these reflective signs.
