

A Message from the Director of Fire Services and Emergency Management

Prospective Cadet Firefighter,

Romulus Fire Department recognizes the challenges students face to realize the full potential of their future. Our philosophy is to help steward young adults and their careers by providing the tools and resources needed to succeed in fire and EMS services. As a sponsor of young Cadet Firefighters, such as yourself, the Romulus Fire Department is investing in the future of each active participant to become heroes of tomorrow.

As a Cadet Firefighter, you will have the opportunity to participate in trainings, meetings, drills, fundraising events and station projects. As a member of this program, people will look to you as a representative of this department. As you strive for excellence, be the best that you can, be proud of what you are doing it for, promote department pride by example, and have fun doing it – the Romulus Fire Department and its members will help you build a strong foundation for success.

If you are between the ages of 16 – 18 and are interested in taking the first step toward a challenging yet rewarding career in fire and EMS services, please complete the Cadet Firefighter application with your parent or guardian to be considered for this program.
